EMERGENCY AMENDMENT

19 CSR 30-40.740 Definitions and Abbreviations Relating to ST-Segment Elevation Myocardial Infarction (STEMI) Centers. The department is amending section (1).

PURPOSE: This amendment adds virtual reviews to the definitions for STEMI centers.

*EMERGENCY STATEMENT: This emergency amendment adds virtual reviews to the definitions for STEMI centers. This amendment was prompted by the passage of House Bill 2331 that passed during the 2022 legislative session. House Bill 2331 made changes to section 190.241, RSMo and allows the department to conduct virtual reviews rather than only on-site reviews of STEMI centers. This emergency amendment is necessary in order to make this rule consistent with the changes made in House Bill 2331 that became effective on August 28, 2022. This emergency amendment is in the interest of both the hospitals and the department. The emergency amendment is necessary for the department to conduct virtual reviews instead of only on-site reviews. Due to complications caused by COVID-19, the department is having a difficult time getting qualified contractors to review the STEMI centers and hospitals are still being challenged with COVID-19 in their hospitals. National certifying bodies began using virtual reviews during the COVID-19 pandemic and these virtual reviews have proven to be a solution to conducting reviews while COVID-19 is still an issue for out-of-state-qualified contractors traveling to these reviews and for hospitals having to handle a review team in their hospitals. As a result, the department finds a compelling governmental interest, which requires this emergency action. A proposed amendment, which covers the same material, is published in this issue of the **Missouri Register**. The scope of this emergency amendment is limited to the circumstances creating the emergency and complies with the protections extended in the **Missouri** and **United States Constitutions**. The department believes this emergency amendment is fair to all interested persons and parties under the circumstances. This emergency amendment was filed November 21, 2022, becomes effective December 7, 2022, and expires on June 4, 2023.*
