1. BP02 Terms and Conditions

AWARD INFORMATION

Incorporation: In addition to the federal laws, regulations, policies, and CDC General Terms and Conditions for Non-research awards at <https://www.cdc.gov/grants/federal-regulations-policies/index.html>, the Centers for Disease Control and Prevention (CDC) hereby incorporates Notice of Funding Opportunity (NOFO) number TS-23-0001, entitled ATSDR's Partnership to Promote Local Efforts to Reduce Environmental Exposure, and application dated December 8, 2023, as may be amended, which are hereby made a part of this Non-research award, hereinafter referred to as the Notice of Award (NoA).

Approved Funding: Funding in the amount of \$146,601 is approved for the Year 02 budget period, which is April 1, 2024 through March 31, 2025. All future year funding will be based on satisfactory programmatic progress and the availability of funds.

The federal award amount is subject to adjustment based on total allowable costs incurred and/or the value of any third party in-kind contribution when applicable.

Note: Refer to the Payment Information section for Payment Management System (PMS) subaccount information.

Component/Project Funding: The NOFO provides for the funding of multiple components under this award. The approved component funding levels for this notice of award are:

NOFO Component	Amount
Component 1	\$100,189
Component 2	\$46,412
Total	\$146,601

Available Funding: The CDC is operating under a continuing resolution; as a result, the total available funding for the Fiscal Year (FY) 2024 budget period is contingent upon the enactment of applicable appropriation bill(s). Funding in the amount of \$146,601 in Financial Assistance (FA) is awarded on this NoA. The remainder of the budget period Approved Funding amount is subject to the availability of funds.

Note: Refer to the Payment Information section for draw down and Payment Management System (PMS) subaccount information.

Summary Statement/Technical Review: Within 5 days of this Notice of Award's (NoA) issue date, the Summary Statement/Technical Review will be accessible to the recipient in GrantSolutions Grant Notes. Contact the assigned Program Officer indicated in the NoA with any questions regarding this document or any follow up requirements.

Financial Assistance Mechanism: Cooperative Agreement

Substantial Involvement by CDC: This is a cooperative agreement and CDC will have substantial programmatic involvement after the award is made. Substantial involvement is in addition to all post-award monitoring, technical assistance, and performance reviews undertaken in the normal course of stewardship of federal funds.

CDC program staff will assist, coordinate, or participate in carrying out effort under the award, and recipients agree to the responsibilities therein, as detailed in the NOFO.

- The TPO will lead a Technical Project Team (TPT) for each recipient, which will include representatives from the ATSDR Office of Capacity Development and Applied Prevention Science (OCDAPS), and ATSDR's Office of Community Health and Hazard Assessment (OCHHA);
- The TPT is responsible for providing technical assistance to the recipient; arranging for subject matter expertise as needed, assuring the planning implementation, and program improvement of all public health actions for each site;
- The TPT is responsible for approving each recipient's work plan;
- The TPT is also responsible for working with the recipients to improve their ability to assess and respond to environmental public health issues through the application of current science and sound public health practices;
- The TPT will also review the environmental health assessment reports and community involvement and health education and promotion plans and materials for technical/scientific accuracy, comprehensiveness, clarity, and adherence to ATSDR policy;
- The TPT will monitor and evaluate the performance of recipients;
- ATSDR regional staff are available to provide support and coordination for recipients, particularly for sites with strong community interest, or where liaison with EPA is specifically needed;
- ATSDR will provide updated guidance on emerging contaminants and will maintain updated chemical-specific comparison values (CVs) based on the best available science;
- ATSDR will maintain and make available the Public Health Assessment Site Tool (PHAST), the ATSDR Shower Model, other tools, and information websites;
- ATSDR will also facilitate peer-to-peer information sharing through the maintenance of ATSDR's SharePoint site and Cooperative Agreement Listserv; and
- The TPO will facilitate the clearance of certified environmental health assessment reports (via the current NCEH/ATSDR Policy on Clearance of Information Products) as outlined under Strategy A2 in the 'Work Plan' section above.

Expanded Authority: The recipient is permitted the following expanded authority in the administration of the award.

- Carryover of unobligated balances from one budget period to a subsequent budget period. Unobligated funds may be used for purposes within the scope of the project as originally approved. Recipients will report use, or intended use, of unobligated funds in Section 12 "Remarks" of the annual Federal Financial Report. If the GMO determines that some or all of

the unobligated funds are not necessary to complete the project, the GMO may restrict the recipient's authority to automatically carry over unobligated balances in the future, use the balance to reduce or offset CDC funding for a subsequent budget period, or use a combination of these actions.

Program Income: Any program income generated under this grant or cooperative agreement will be used in accordance with the Addition alternative.

Addition alternative: Under this alternative, program income is added to the funds committed to the project/program and is used to further eligible project/program objectives.

Note: The disposition of program income must have written prior approval from the GMO.

FUNDING RESTRICTIONS AND LIMITATIONS

Notice of Funding Opportunity (NOFO) Restrictions:

Restrictions that must be considered while planning the programs and writing the budget are:

- Recipients may not use funds for research.
- Recipients may not use funds for clinical care except as allowed by law.
- Recipients may use funds only for reasonable program purposes, including personnel, travel, supplies, and services.
- Generally, recipients may not use funds to purchase furniture or equipment. Any such proposed spending must be clearly identified in the budget.
- Reimbursement of pre-award costs generally is not allowed, unless the CDC provides written approval to the recipient.
- Other than for normal and recognized executive-legislative relationships, no funds may be used for: 1) publicity or propaganda purposes, for the preparation, distribution, or use of any material designed to support or defeat the enactment of legislation before any legislative body 2) the salary or expenses of any grant or contract recipient, or agent acting for such recipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or Executive order proposed or pending before any legislative body
- See [Additional Requirement \(AR\) 12](#) for detailed guidance on this prohibition and [additional guidance on lobbying for CDC recipients](#).
- The direct and primary recipient in a cooperative agreement program must perform a substantial role in carrying out project outcomes and not merely serve as a conduit for an award to another party or provider who is ineligible.

Indirect Costs:

Indirect costs are approved based on the negotiated indirect cost rate agreement dated March 3, 2023, which calculates indirect costs as follows, a Fixed/Provisional is approved at a rate of 20.80% of the base, which includes, direct salaries and wages including all fringe benefits. The effective dates of this indirect cost rate are from July 1, 2023 to June 30, 2024 for fixed and July 1, 2024 to June 30, 2026 for provisional.
