

Missouri Medical Marijuana Program

How to Access your Patient/ Caregiver ID Card

You can access your Patient or Caregiver Identification (ID) Card via your Missouri Medical Marijuana Program Registry account (MMMP). Registered patients and caregivers are required to have their ID card available when purchasing or in possession of medical marijuana.

- Log into your MMMP Registry account at mo-public.mycomply.com
- ID cards for approved licenses can be accessed from the homepage by going to the “ACTIONS” column to the far right of the screen.
- Click on the button underneath “ACTIONS”,
- Select “DOWNLOAD LICENSE”, and
- Save a copy of your digital ID card to your device and print it off for your records as **the Department of Health and Senior Services will not be providing physical cards.**

The screenshot shows a web interface for the Missouri Medical Marijuana Program Registry. At the top, there is a header "Licenses" with a search icon. Below this is a table with the following columns: Status, Title, License Type, License Number, Expiry Date, and Actions. The table contains one row of data for a license held by John Doe. The "Actions" column for this license is highlighted with a red box, and a dropdown menu is open, showing two options: "View License" and "Download License".

Status	Title	License Type	License Number	Expiry Date ↑	Actions
