Governmental/Political Subdivision – May include county, city, ambulance districts, public school districts, public hospital districts, public water districts, ...

Institution of Higher Education – Education institution beyond the secondary level, especially education at the college or university level.

For Profit Corporation/Organization – A business or other organization whose primary goal is making money (a profit), as opposed to a non profit organization which focuses a goal such as helping the community and is concerned with money only as much as necessary to keep the organization operating. Most companies considered to be businesses are for profit organizations.

Non Profit Corporation/Organization (NPO) – Associations, charities, cooperatives, and other voluntary organizations formed to further cultural, educational, religious, professional, or public service objectives. Their startup funding is provided by their members, trustees, or others who do not expect repayment, and who do not share in the organization's profits or losses which are retained or absorbed. Approved, incorporated, or registered NPOs are usually granted tax exemptions, and contributions to them are often tax deductible. Most non-governmental organizations (NGOs) are NPOs.
